Projects

123-Shop!

Full-Stack Developer – React | Axios/GraphQL | [GitHub](#) | [Website](#)

- Developed a full-stack e-commerce application enabling customers to browse and place orders.
- Implemented back-end functionality, handling GraphQL requests and responses.
- Collaborated closely with the front-end team for seamless integration while using Agile methodology for efficient development.

Event-Planner

Full-Stack Developer – Bulma | JavaScript | MySQL | [GitHub](#) | [Website](#)

- Designed and built an event planning application with email invitation features.
- Successfully deployed the application on Heroku, including JAWS_DB integration for the database.
- Employed Agile practices to ensure a streamlined development process.

Experience

Target

Glendale, California

Specialty Sales Team Member

October 2022 – Current

- Designed and implemented the back-room storage for both the Electronics department and the Beauty department.
- Worked across multiple departments to ensure efficient maximum output of labor use.

Purple Hat Productions

Lighting Designer/Production Manager

July 2016 – October 2022

- Head Lighting Designer for over 40 productions and concerts. Managed a group of 8-10 freelance stagehands.
- Facilitated the shipping and delivery/setup of professional lighting equipment and established relationships with touring companies to program and run concerts and events.
- Multi tasked objective completion and timeline follow-through while working with several different production groups (i.e., Sound, Lighting, Props).

Network Capital

Los Angeles, CA

Mortgage Banker

March 2022 – June 2022

- Continued to hit and surpass goals of 5 hours of talk time, 5 applications, and 3+ submissions for loans every week; reached out to 200+ people daily.
- Collected and assessed customer information and liabilities to build out a custom refinance package that suits their needs best, and effectively communicated this information with customers.

Corwin Honda

Fargo, ND

Sales Professional and Leasing Consultant

October 2018 – January 2020

- Interacted with 50-100+ people every day, building a strong customer basis through resolving issues, following up on purchases, and guiding people through financing or leasing their vehicles.
- Provided deep knowledge and personalized product guidance tailored to individual needs in a timely manner, whether it is over the phone, by email, or in person.
